

Apr. 19th, 2023
Nitta Corporation
Nitta Moore Div. Sales Dept.

Dear valued customers,

Notice of sales and support termination for Gyro products

Gyro products (Gyro Change and Gyro Joint), which we have sold for many years as items to prevent cable breakage, have seen almost no new sales in recent years due to the spread of robots with the same function. Since demand is not expected to recover in the future, it has become difficult to obtain parts for purchase and to continue sales.

Therefore, we have decided to terminate sales, repairs, and support services (including technical support) for all products, parts, and consumables related to Gyro products after orders are received in October 2023. We apologize for any inconvenience this may cause, but if you need any of these products, please place your orders by the above deadline.

Thank you for your understanding.

Gyro Change

Gyro Joint

Yours Sincerely
